Team News

SHOUT OUT TO! ORCAS' SUMMER SWIM TEAM!!!

Thank you for all your support with lending Aquastar the tents and other equipment to host our meets.

IMPORTANT!!

PLEASE keep gates at Hometown Hero's pool closed, this is City rule. The Gate is not to be propped open in any way. The only way we can have the gate open is if we have a person standing there watch the gate, and only allowing in Aquastar families.

There is a team lost and found at Oakbrook West Pool.

If you have lost anything at the pool it is probably there.

Please check it out!!!! There is a lot of items missing their home!!!!!!!!!!

FROM THE PRESIDENT

AQUASTAR families-

I want to thank you for your generous contributions of time and concession items to make both our Hometown Heroes home swim meets a success this spring. We co-hosted 424 swimmers with Sails for the Bay Area Invitational and 438 swimmers for the AQUASTAR Splash meet. By hosting these meets, we were able to raise \$14096.18 for the team. This is our primary fundraiser this year, and this money goes to fund general team operations and marketing efforts to recruit swimmers for our team and learn to swim programs. Thank you for your help in making this a success!

As you know, it takes many volunteers to host a swim meet. This is why we have implemented a volunteer policy this season, and we will continue to monitor and modify this policy so that we can successfully host future meets. Many people go above and beyond to help with planning the meet, and I want to thank the following people for their support in planning the meet: Yasmin Ali, Nisha Gidwani, Christina Klun, Lisi Rayburn, Farshad Hadaegh, Vaughn Schauss, Jerry Hardt, and Jeaneen Dale! If you have an interest in helping organize future meets in key areas such as Concessions, Hospitality, Volunteer Coordination, and Meet Organization, please let me know. We need a constant influx of people to rotate into these positions in order to successfully host meets. Our next AQUASTAR hosted meet will be in the fall of 2019.

Hosting meets is part of what will keep this team successful and allows it to grow. By hosting swim meets we not only raise money for our team, but we also give our swimmers the ability to attend a meet close to home and swim in pools they are comfortable in. It also helps fulfill our obligations to the group of teams we align with in the Gulf Region who host and invite us to swim meets throughout the short and long course season. This alliance ensures we have local meets with strong competition each year. I have personally witnessed the growth of swimmers and our entire team in competition this year, and I look forward to the amazing success of the team this summer!

Enjoy the summer!
Amy
