Upcoming Meets

- This past weekend we had the 12 & Under Gulf Champs. Many of our swimmers did a fantastic job and we would love to show off their great accomplishments.
 - If you have any photos from this weekend please email me or share through remind so we can add them to our social medias as well as our upcoming newsletter!
 - Lookout for the extensive meet write up in the monthly newsletter.
- This upcoming weekend **February 28th - March 2nd**, we have the **13 and Over Champs at the Pearland Natatorium!** Last December, we took home the second-place trophy due to some amazing swims from our senior athletes. We're looking forward to following up that second-place finish with another great showing!
 - If you haven't signed up for the meet or would like to adjust/add entries, please let me know asap as entries are due by 5 pm today!
 - We would love for as many of our swimmers to swim multiple days /events as every point counts!
 - We also need a couple more swimmers to make more relays! The more relays the points we can score.
 - We will be sending out all meet information hopefully by Wednesday.
 - Please let me know if you have any questions.
